

## Yarkhill Parish Council Risk Register—2024

**The greatest risk facing a Parish Council is not being able to deliver the services to the community and expected of the Parish Council.**

Risk assessment is a systematic general examination of working conditions, workplace activities and environmental factors that will enable the Parish Council to identify any and all potential inherent risks. The Parish Council will take all necessary steps to reduce or eliminate the risks in so far as practically possible. This document has been produced to enable the Parish Council to assess the risks that it may face and satisfy itself that it has taken adequate steps to minimise them.
