

Yarkhill News

Hello Yarkhill,

Although I am no longer the Parish Clerk, I am very happy to continue producing a Newsletter on a voluntary basis.

It can still be called "Yarkhill News" and it can include all the usual adverts, information pages, Church dates and draw results, plus articles from Parishioners including items for sale etc. It can share Village Hall and Church events.

I won't be able to provide printed copies because of the cost of printing but I will email it to all those that want it.

In order to receive the newsletter you will have to phone me on 07801 108789 or email me at

salian52@hotmail.com and give me permission to use your email address solely for newsletter distribution.

Please pass this message on to your neighbours.

I hope this will go some way towards keeping the community connected and updated. Thank you all.

Sallyanne
